EHS

We are manufacturers and distributors of **electric heating blankets**: drum heaters, heating blankets for high voltage cables, blankets for curing, and many more.

As well as all these special electric heating systems: heating cables, single-core heating cables, heating mats, heating foil, electric underfloor heating, roof de-icing systems, gutter and drains de-icing systems, ice protection systems, heating for terrariums, nursery heating, cattle heating, etc.

You will have to fill out a form with your company details.

** Only the fields marked with an asterisk are required fields.*

You can also register as a private individual, but remember that if you do not have an intracommunity VAT number, we will have to apply the Spanish VAT.

You will receive an email to confirm your registration.
Once you have registered, you can sign in any time to make your purchases.

- Look for the item you want to buy.

Shipping costs

EU Customers

- Shipping costs are applied depending on the value of the purchase.
- For purchases over 400 €, shipping costs are included.

Non-EU customers

- For shipping costs in our e-commerce, please contact our sales department: ventas@electricheatingstore.com

For non-EU customers

Most customers from European countries can register on our website, even if they are not from the EU.

If you can't find your country in our store, please let us know and we will solve it.

Meanwhile you can send us an email with your query or requesting a quote:

ventas@electricheatingstore.com

For UK customers

We are adapting our online store to meet all the requirements of the new situation after Brexit.

This is a temporary situation, which we will soon have resolved.

For inquiries, or if you want to require a quotation, please be welcome to contact our sales department: ventas@electricheatingstore.com

Important: Please note that UK delivery time increases slightly from pre-Brexit delivery time, as goods now must clear customs.

Rest of the world

We developed our store with the intention of focusing it mainly on the European market. But over the years we have obtained a global projection.

We are working to have a global reach very soon.

Until this wish comes true, For inquiries, or if you want to require a quotation, please be welcome to contact our sales department: ventas@electricheatingstore.com

For further information, please do not hesitate to contact our sales department:
